His Royal Majesty
King Saud
Saudi Arabia.

Your Majesty.

I would like to attend your meeting and at the same time perform the Hajj, insha Allah. Could your majesty grant me transportation and such necessary expenses as deemed essential. I have just spent all money I had in the improving of this Mission and assisting in the purchase of a very wonderful tract of land on which we hope to establish a Muslim colony.

Time is limited. I now await your Majesty's decision. I wish your majesty good health and Allah's blessings.

I am yours in Islam

Sheikh, Daoud Ahmed Faisal.
